This beautiful well-maintained and nicely updated 4-bedroom, 3.5-bathroom home offers a comfortable layout with thoughtful features throughout. The living room is bright and inviting, with high ceilings, a fireplace, and plenty of natural light. A separate dining room provides space for formal meals or casual gatherings, leading into a remodeled kitchen with rainforest granite countertops, stainless steel appliances, a casual dining area, and a convenient breakfast bar. Upstairs, the spacious primary suite offers flexibility for a sitting area, home office, or workout space. The oversized en suite bathroom features a large soaking tub, double sinks, a stand-up shower, a separate water closet, and a walk-in closet. The secondary bedrooms each have their own character—one with an en suite bath, another with built-in bunk beds, and the third currently set up as a home office. Other updates include a whole-house water filtration system, upgraded plumbing, newer HVAC ductwork, and improv...
