Slide 1806452

Well maintained home on premium cul-de-sac lot, which backs to greenbelt for added privacy! The open great room floorplan features 3 bedrooms and 2.5 bathrooms. Upgraded kitchen features include granite countertops, center island, tile backsplash and nook w/ bay window. The tranquil master suite w/ double door entry offers bay window, private exit w/ security door, and large, spa-like bath w/ dual sinks, garden tub & separate tiled shower. Spacious laundry/utility room and 3-car garage with built-in cabinets offer plenty of storage and flexibility. Garage also has epoxy flooring. Relax in the backyard on the patio with covered & outdoor seating and enjoy the tranquility of the waterfall. Backyard oasis also offers luscious landscaping with citrus trees and rose bushes. Gated community.
