Move In before School Starts! The seller has painted the interior and installed new carpeting, 2yr old A/C and Water Heater. This is a larger 4 bd. 2 bath single story home with an open floor plan. The large living room flows to the separate family room that is open to the kitchen. The living room offers a dining area and a dual sided fire place that is also in the family room. This home has ceiling fans in every room in addition to the homes already energy efficient construction, that will help with the warm summer months. The entry family room, kitchen, and baths have custom tile flooring. The kitchen offers a extra long breakfast bar and lots of storage. The laundry room is close to the 4 bedrooms and comes equipped with a sink and additional storage, you can access the 2 car garage as well. The Master suite offers privacy at the end of the hall past the large built in linen storage. The master suite also offers 2 large closets, a 2 sink vanity and a soaking tub. This ho...
