Welcome to this stylish and spacious 2-story in Nottingham Forest South.

This lovely home boasts a beautifully landscaped yard with an in-ground sprinkler system and a screened-in porch for reading and relaxing. The three-car garage not only offers parking space but additional storage options, too.

As you enter the home, the living room is to your left and the formal dining to your right. A bank of windows allows natural light to flood the great room and the fireplace adds warmth and ambiance.

The second fireplace in this home is in the hearth room. A herringbone pattern detail is in the center of this handsome brick fireplace. The kitchen has a breakfast nook, center island with cooktop and counter-height seating, pantry, planning desk and ample cabinetry. Direct access to the screened-in porch and backyard are off the kitchen. Laundry and a half bath are also on the first floor.

Upstairs, you'll find a peaceful master suite. Highlights of this retreat...
