This large Commercial space has been utilized most recently for a Daycare Center, but is suitable for a number of uses. Located on heavily-traveled Jefferson Davis Highway, this property is situated near a traffic light and has service road access. A large parking lot, shaded additional space and loading dock can be found at the back of the building. The interior includes multiple entrances, with one separated entrance for deliveries or security screenings. Pass a separated main office and another potential office or waiting area on your way to the open rooms for classrooms, sales, or commercial storage. Large restrooms are available for clients, students and personnel. This property represents a phenomenal investment opportunity, and is also available for rent.
