Gorgeous and hard to find single-level home in prestigious Calico Ridge. Located high above the valley, this community sits near Lake Las Vegas, the Lake Mead National Recreation Area, and Henderson's "River Mountain Loop" trail. Great location! The floorplan is a spacious layout with four bedrooms (fourth used as an office), including a guest suite with a private bath! The home boasts plenty of windows, large closet spaces, and pot shelving. If don't like being on top of your neighbors, this is the home for you - with a wide lot and side yard. The stunning backyard is fully landscaped with pavers, low maintenance landscaping, Jenn Air outdoor kitchen and covered patio wired for TV. The master suite has large walk in closet, double sinks, separate shower & soaking tub in master bathroom.
