Really nice building lot. Great for a beautiful home with walk-out basement. Bring your builder and Architect. Priced to sell.

This waterfront lot is situated on Lake Martin, the largest lake in Alabama. With 44,000 acres of sparkling blue water and more than 750 miles of pristine shoreline, it is home to more than just lakefront residences. Morning mist rises to reveal waking wildlife—graceful blue herons glide across the water teeming with a variety of fish from bream and crappie to large-mouth bass. The happy laughter of children rings out across the lake in the afternoon as pontoons and boats float past. At dusk, the lake comes alive in the blaze of the setting sun, providing a stunning backdrop for moonlight cruises. Here, the water is so clear you're tempted to drink it. The lake is a vibrant center of activity and serves as the ideal backdrop for a variety of pursuits away from the water.
