Slide 1780475

Beautifully re-imagined 1920's home in one of the best pockets of North East Pasadena! This stunning 4 bed 2 bath home PLUS workshop features a sunny open floor plan that flows perfectly and leads you out to a private grassy backyard. Everything is done and ready for you to move in. Features include hardwood flooring throughout, fire place, custom built barn style doors, tons of storage, NEW kitchen and baths with quartz countertops, stainless steel appliances, custom designed tile work, wine cellar and the list goes on! Upstairs is an oversized area drenched in natural light that could be used as a 4th bedroom or double as a family room / studio space. This home is a perfect blend of it's original architectural past with the modern amenities of today!
