Don't let the exterior photos fool you! This is a very large and stately home with 7,008 square feet of living space. Not even the professional photography of this home can fully capture the exceptional property that it is. Very unique and to fully appreciate it is to see it in person. The owners have lovingly maintained this home for 27 years and it shows inside and out. Many updates have been done including the kitchen remodel with new granite counters, double oven, cooktop, flooring and newer refrigerator. The master bathroom remodel includes new granite, double vanities, gorgeous walk-in shower, comfort height Kohler toilet and LED dome lighting. This home has three fully finished levels with 7 true bedrooms with an additional room on the lower level that is currently being used as the 8th bedroom. The lower level has two walkouts - one conveniently walks out to the garage and the other walks out to 3 acres of a beautifully manicured rear yard, mature trees for privacy and...
