Slide 2001893

A rare find in sought after location. A large rambler nestled in 2.30 acres of beautiful mature trees. This home has two-master suites, a third bedroom, plus an additional half bathroom on the main level - a large eat-in kitchen with more than ample cabinet space, new counter-tops, newer appliances and fresh paint throughout. The spacious kitchen opens to a huge rear deck overlooking the most beautiful view of huge mature trees for complete privacy. A free home in the trees for the kids/man/woman cave if needed :)

One of the main level master bedrooms opens to the over-sized deck and beautiful rear view of the private woods of this unique property. The lower level has a private bedroom and one full-bath, a large living area with gas fireplace, den/library/playroom and large laundry room and storage area. The lower level also has a private entrance from the over sized, 2-car garage with plenty of room for storage. This home is situated in a private and secluded home-...
