Imagine climbing into your sparkling clean, non-chlorinated, 81-jet hot tub, after an invigorating day on the slopes, with the cool breeze from the open windows brushing across your face. Because your new mountain home is just a few minutes from Alpine Meadows Ski Area, your living room becomes a social gathering hub with friends, family and kids stopping by to enjoy a nice glass of wine or hot chocolate by the crackling fire on their way home from the ski area.

The home, with four bedrooms, five bathrooms, bonus room and garage, provides ample space and separation for large groups, families and lots of kids! You will be in awe of the commanding creek-side windows, slate floors, hydronic heat and wood paneling that gives it just the right Tahoe touch. Summer evenings can be spent lounging on the south-facing deck perched above Bear Creek and summer days can be spent relaxing at the majestic, private Bear Creek pond after a long hike or bike ride.
