THE TOWNHOUSE

This is a two-unit condo. This unit has 2 levels. The first floor has a living room, dining room and fully equipped kitchen with stainless steel appliances and washer/dryer. It also has a very peaceful private patio. The second floor has two bedrooms and a fully remodeled bathroom.

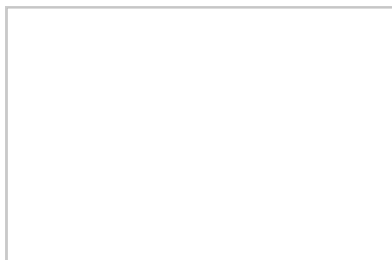

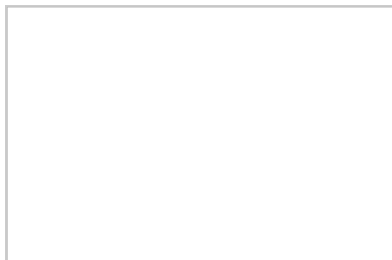

LOCATION

The townhouse is located in the quiet and beautiful Southwest neighborhood and is ideally situated within walking distance of the National Mall and the Smithsonian Museums and D.C's Waterfront.

It's easy to access everything DC, Virginia or Maryland have to offer. There are three metro stations within a few blocks of the home – Waterfront (Green Line), Federal Center (Blue, Orange Lines), L'Enfant Plaza (Yellow, Green, Orange, Blue Lines) and you can get to I-395 and I-295 in a couple of minutes. National Airport is less than 2 miles away.

Also located between Capitol Hill and the newly redeveloped waterfront area (The Wharf), you are just blocks away from attending a game at the Nationals Park; touring the monuments, experiencing the 17 world renowned Smithsonian Museums and festivals on The Mall; attending a concert and buying produce from the Wharf's Farmer's market; renting a bike to explore the city or seeing a play at the Arena Stage.
