This 1BR/1.5 BA at the Ritz Carlton offers the best value of any unit available in the building. The marble entry foyer transitions to a dark hardwood floor throughout the living room, dining area and kitchen. The bright living area offers nearly wall to wall windows with city and bay views. The kitchen is fully upgraded with all viking appliances and includes a separate wine fridge, along with granite counters, upgraded fixtures, and dark wood cabinetry. A separate island provides space for a breakfast area. All furnishings can be included at additional cost, making this a great turn-key property or corporate rental. Amenities include valet-attended garage parking, business and conference facilities, private fitness center and a Residents' Lounge. In addition, your 24-hour, full service Concierge can help arrange in-residence dining, reserving the services of a private chef, twice-daily housekeeping, dry cleaning, child care or virtually anything you might need.
