Gulf-front..NEW CONSTRUCTION COMPLETE!!! You will be impressed with this finely appointed home completed, April, 2016. Rest at ease with a new home built to the latest codes with 150 mph impact glass, Hardi-board siding, and a 30 year metal roof. Make this your next investment property or second home with 5 bedrooms, 5 baths, including 2 additional half baths, for a total of 3,243 Sq.Ft. heated and cooled. This Gulf-front home is on the west end of Panama City Beach, very close to Rosemary, and all the 30A happenings. No need to pay Rosemary prices to own something special. Builder thought of every detail, maximizing the views by using tempered, impact glass panels for screening which wraps around the decks and gulf-front pool to achieve unobstructed views. Interior decor hosts a coastal, contemporary flare with a neutral pallet throughout to compliment the simulated wood plank tile floors, light cabinets and natural stone counter tops, along with chrome plumbing fixtures and shell chandeliers. Layout of the property flows nicely. Ground level entry foyer with a half bath is just steps from the cabana area, pool and covered parking pad. Make your way upstairs to the spacious second level open-concept area where all your guests can mingle and enjoy the gulf views from any room, living, dining, or kitchen area. Make use of the extended entertaining space with large covered decks for all those sunrise and sunset gatherings. Home sleeps 21 with one bedroom on the sec...
