Honey stop the car! This is the only patio home available for sale in the desirable, centrally located community of Shea Patio Homes near the beautiful Mountain Preserve minutes from the 51 freeway! This home has been tastefully remodeled with gorgeous laminate wood floors & ceramic tile throughout. There are ALL NEW dual pane windows, two new sliding glass doors, attractive tile counter tops in the kitchen & a beautiful new stainless steel refrigerator. There is an extra room for laundry including a matching Whirlpool washer/dryer with enough space for a home office set up. The living room has vaulted ceilings, wood beams and there is new paint throughout the home. The back patio is fully enclosed for your pets and/or children to enjoy. Schedule your showing today because this won't last!
