Beautiful energy efficient home in perfectly located Dove Valley Ranch. This well maintained house has an excellent floor plan featuring soaring ceilings, open kitchen, bedroom and full bath on the main level and a big loft space. The kitchen has been updated with white cabinets and stainless steel appliances, and flows into both formal and casual living spaces. The back patio is covered and enclosed to create a true outdoor living area with misters to keep it cool all year round. The back yard is truly low maintenance with green turf and desert landscape. House has a new a/c unit, vents have been sealed and has sunscreens all to cut down on energy costs. Interior has been repainted along with exterior doors and trim. An excellent home for family and entertaining.
