This beautifully landscaped single story home in Cave Creek is calling your name! You will have plenty of natural light from the windows lining the wall in the open area of the living area and kitchen. The living area has a fireplace with a built in media center surrounding it. The living area opens up to the very spacious kitchen that has granite counter tops, a breakfast bar, wood cabinets, warm tiled backsplash, gas cook top, dishwasher, and oven. You will have a double door entrance to the master bedroom and a beautiful chandelier. In the master bathroom you will find duel split sinks with granite counter tops, walk-in shower, stand alone tub, private toilet, and of course a wonderful walk-in closet! Relax in the backyard under the blue skies or cool off in the pool. Come check it out!
