Over 4 acres and 3 parcels in Fair Oaks (unheard of). Space for Horses and easy access to American River Trail without having to trailer your horse. 3 Bed/2 Bath home that is in need of updating, but this allows the ability to make this home yours. Family Room and Living Room have great views to the backyard pool and trees. Privacy and plenty of space to feel way outside the city. While in your home, there is not a view of any of your neighbors. Did we mention Oak Trees as far as the eye can see? In the winter the river sparkles through the trees and can be seen in the floor to ceiling windows. On quiet evenings you can hear the river in the distance. Property sits high above the river on the bluff. Look at this Drone Video of the property
