This lovely Glendale 5-bed, 3-bath residence features a 2-car garage, charming brick trim, and an inviting front porch. You're greeted by a living room with recessed lighting, a neutral palette, and attractive wood plank flooring. The great room has sliding door access to the backyard, perfect for indoor-outdoor living. The kitchen boasts granite counters, white shaker cabinets with crown molding, chic pendant lighting, SS appliances, pantry, and an island with a breakfast bar. Upstairs, the loft offers additional living space, and the den is ideal for an office or study. The main bedroom is split and complete with a private bathroom with dual sinks and a walk-in closet. Outside, the backyard showcases a covered patio, natural turf, and a refreshing pool with water feature. Welcome home!
