When only the best will do! You'll feel at home as soon as you walk through the front door. Located in the "Coolest Small Town", this executive style home is a charmer in each and every area as you walk through the home. As you walk through the front door, you will be greeted with a vaulted ceiling that extends over the living room and kitchen area. Flooded with light, the room is fabulous for entertaining or enjoying being in your own private sanctuary. Just to the right as you enter, you'll find a office for the busy executive or getting the plans together for the next garden club meeting. Just past the Office, you'll find a lovely deck area for your morning beverage. Living room is adorned with room for your favorite books as well as watching your favorite shows. With a gourmet kitchen at hand, friends can socialize as you prepare for tea or a lovely dinner. Sub Zero refrigerator, Wolf Gas Stove. Asko Dishwasher and of course, granite counters. A storage room is just ...
