Don't miss out on calling this charming home and community; which boasts lots of extras, your new HOME! The open floor plan makes entertaining a dream. If you are or want to become a master grill chef, you are going to love the covered patio right off the kitchen. You'll be grilling and chillin' as you watch your culinary masterpiece finish cooking, along with your favorite show or game on the wall-mounted TV. On rainy days, cuddle up on your couch and binge your favorite show while your fireplace is crackling in the background with a mere flick of a switch. At the end of the night, retreat to your primary suite to relax and unwind. The secondary bedrooms would be great for children or as an office and gym. When summer hits, you're going to love cooling off at the community pool or splash pad. Bring back some nostalgia by playing H.O.R.S.E on the basketball court. Oops, did you run out of cream for your coffee, no worries, Brookshires and other shopping are minutes away!
