This is a private, modern home with quality details and upgrades, including Pella windows, solid core doors and a top-flight kitchen. Nestled behind mature foliage and a grand pine tree, this custom home was built for family living and entertaining. It will delight and surprise you to see what is hiding behind the gates. The master is a large retreat (with fireplace) on the first floor opening to the front yard with fire pit. Another bedroom and dedicated office are on the first floor, with two more bedrooms and all common spaces upstairs. High ceilings, ample windows and treetop views make the great room inviting. The modern kitchen features Viking appliances and custom cabinetry. Formal dining is a separate space among the wide-open layout. Location near the greenbelt offers a simple walk to parks, downtown and school. Designer finishes including custom drapery in all rooms, Kohler bathroom suit...
