Herndon Ranch- This historic ranch was originally homesteaded by the Herndon family four generations ago. This is the first time the Herndon Ranch has ever been offered for sale to the public! At long last a chance to acquire a property with diverse opportunities, all with sweeping views of Lone Cone Mountain, The Dolores Range, The La Sal Mountains and Telluride's famous Wilson Range. The land is bordered on 2 sides by National Forest with 3 springs, a seasonal mountain stream which gracefully winds through ponderosa pine forests, open meadows, aspen groves and grass lands protected by gambles oak.

- 1,640.99 Acres
- Multiple Building Sites
- Horseback Trails
- Excellent Hunting
- Adjoins National Forest
- Multiple Natural Springs
