One of Historic North Knoxville's gems, this home has been featured in the Knoxville News Sentinel, the Secret Garden Tour and is on the Dogwood Trail. Beautiful updates have been made in all of the right places (kitchen, upstairs bathroom, basement, gardens, sunroom, pantry & awnings have been added), while preserving the home's historic beauty. Arched doorways, slate roof, built-in bookcases, recessed, china cabinet & shelving add to this home's character. You will be pleasantly surprised by the amount of closet & storage space in this home! Do not miss this one!
