You will love the detail!!! Over 2800 sq. ft. of living space has been meticulously maintained and endlessly upgraded by its owners. It is set on 1 1/4 acres of land with a large fenced backyard. The classy tone of the home is set with hardwood floors throughout the downstairs. The dining room is enhanced by chair rail and crown molding. The family room with its gas burning stone fireplace with a wooden mantle is enhanced by windows facing the backyard. The kitchen with its adjoining breakfast area is wonderful—granite countertops, ceramic tile flooring, 42" oak cabinetry and center island. There are sliders leading from this area to the large deck. The office off of the family room is bright and cheery with lots of windows and a ceiling fan. The upstairs master suite with its double vanity and soaking tub and walk-in closet join three other bedrooms and a bath with a laundry chute. The 960 sq. ft. finished basement consists of a large great room with a wet bar and a separate area presently ...
