This is truly one of the most unique homes in Denver. The location and architectural details make the sale of this stunning penthouse unit a very rare opportunity. Enjoy views of the city, Cheesman Park, the mountains and the Capitol Dome from your roof-top deck, relax in your private solarium, serve dinner overlooking one of Denver's premier parks, step out your door to stroll around Cheesman, down to the local coffee shop, across the green to the Botanic Gardens or to some of Denver's finest restaurants.
