Stunning remodeled 1900's craftsman combining old world charm with modern day comforts. This home has been brought back to life with it's gleaming refinished hardwood floors, brand new fixtures, appliances, flooring, carpet, cabinets, countertops, and gas fireplace. The contemporary floorplan provides privacy and convenience. The home feels much larger than listed square feet. Listen to the babbling sounds of Lyons Creek; Entertain friends in open kitchen and living spaces. Office or play room, full bath, laundry room & additional bedroom on main floor. Easy access to I-5 and Lake Forest Park town center.

- New Stainless Steel Fixtures
- New Stainless Steel Appliances
- New Cabinets
- New Laminate Wood Flooring
- New Gas Furnace
- Extensive Tile Work in Bathrooms

ABOUT JANET LEE

"Making every client feel as if they're the only client" -J.Lee
I'm a real estate broker and investor providing 5 star service and utilizing technology and social media for full exposure. Over 90% of buyers begin their home search online. This means we need to meet them where they are prepared with property data, professional photographs, and a beautifully staged home. ...
