"THE KINGFISHER" is one of the best house plans available with generous rooms sizes and great flow. Situated on nearly half an acre, enjoy the tranquil wooded views from the screened porch or deck. The back portion of the crawl space is tall enough to stand in, and has a concrete pad to create great storage. There is also over 600 square feet of walk-in attic storage on the second level. The Outdoor Shower is perfect for washing away the salt and sand after a fun day at the beach. Located with in walking distance of two marinas.

- Built in 2014 - Pristine condition
- Owners Suite on the Main level
- Two guest rooms on the 1st floor, one upstairs
- Great kitchen with an 8' Island
- Stainless Appliances include gas cook top
- Walk in crawl space, floored for storage
- Screened Porch
- Extra large deck overlooking woods
