The spacious living room gives this home's floor plan a fresh open feeling with plenty of room for the family and just the right size to maintain. Enjoy quiet days on the stunning custom-built partially covered deck built with a mixture of pine, cedar, and composite (trex-like) material. Upstairs you will love the private master-retreat and you will enjoy the spacious 5-piece custom bathroom completely tiled with nice & tall his and her sinks. Master features include a large walk-in closet with tons of space & solid custom shelving. There is also an additional 3 bedrooms on the upper level and to top things off, this home has a finished Walk-out Basement with a huge rec-room, built-in entertainment center. Additionally, there is a traditional bar w/custom built-in shelving making it absolutely perfect for entertaining. If that's not enough there is an additional 919 sqft of crawl-space leaving plenty of room for storage.
