The perfect property for privacy with room to entertain and work from home with beautiful mountain and pastoral views! This quality-built, all-brick house features 3 bedrooms and 2 full baths on the main level. Some of our favorite features are the wood-burning fireplace in the living room, stunning built-ins in the family room, water conditioner system, and ability to use a generator. On the basement level, you'll also appreciate the 400 square foot bonus space, which could also be an ideal office. This bonus room is adjacent to a large unfinished space with wall-to-wall shelving for storage or workshop and features an outside entrance. Additional features include 2 car carport, 300 square foot deck, front porch, and storage building.

- 1.183 acres
- Wired for generator
- 400 sq. ft. finished basement
- Large front porch
- Spacious rooms
- Fireplace in family room
- Area for wood stove
- All-brick home
