Gorgeous, well-appointed home with a fantastic floorplan and spacious rooms; located on a short cul-de-sac street. This is what you want your next home to be! The impressive stone-front greets you as you pull up to this special home. Enter into a foyer with hardwood floors and a room that could be either a formal living room, your dining room or as it is now, a hobby craft room. In today's Covid environment, home offices are not a luxury but a requirement; and you could not ask for one better, it is close to the front for all those Amazon deliveries and a stones throw from that essential Keurig we all use. There is an impressive family room with gas fireplace, great benefit as we approach winter, and plenty of space for furniture or that football-viewing flatscreen. The kitchen is without question a centerpiece....
