Don't Miss This West-Side Gem Located On The Brockton/Easton Line! As you enter this expanded cape-style home you'll immediately feel welcomed into the family room which opens into the modern kitchen. Continuing throughout the first level, you'll find the dedicated dining room, additional living room with fireplace, full bathroom, and a first-floor bedroom rounding out the space. Head upstairs to find three additional bedrooms and another full bath. Looking for some additional space? There are 2 bonus rooms (currently being used as bedroom space) in the partially finished basement which can be used to suit your needs (craft room, home office, and more). Your large fenced yard has a multitude of possibilities for entertaining and relaxing. First showings begin on Saturday, February 12th.
