This charming Dutch Colonial is set upon a picturesque corner lot that is complete with professional landscaping. The home a has been thoughtfully expanded over time adding over two hundred additional square feet of living space, as well as restoring beauty and character of the original home. Upon entering the home you are greeted by a mud room area with a coat a closet and another door leading the main living level. The dining area and family room sit graciously side by side with bay windows overlooking the front lawn. The kitchen is ready for entertaining with a stone fireplace, sitting area, plenty of space for the entire family, and glass doors leading to the expansive first floor porch that overlooks the backyard. Also on the main living level is a full bathroom with a large walk in shower. Upstairs, the exposed original maple flooring immediately catches your eye. The first family bedroom offers a bui...
