Spacious interior unit townhome located on a dead end street, vacant and ready for a new owner. Just a short drive from both Route 234 and I-95, as well as numerous commuter options, this home has more to offer than you would expect in a home of this price. This is a great home with a fantastic floorplan. The kitchen is spacious and has plenty of cabinets and counterspace as well as room for a small table and chairs or pub set up. The dining room has ample space and the passthrough from the kitchen makes serving easy. A woodburning fireplace sets off the large living room and there is a new sliding glass door to a brand new deck. Upstairs there are 2 bedrooms, each with its own full bath. Both rooms are large with great closet space. In the basement is a family room, full bath and an office as well as under stairs storage and a nicely sized laundry room. Home has great potential.
