Description: Want 4 bedrooms? Want to be near schools, shopping, highways? Want an open floorplan? Then you may want this home. Come check out this spacious, open home. Easy living floor plan with a large bedroom for everyone. The kitchen with its upgraded appliances is large enough for a couple to cook together. It's walking distance to a park and trails. The neighborhood is friendly. The covered patio gives you a place to grill even in the rain. Plus there's a sprinkler system if we don't get rain. The foundation was recently repaired with a lifetime transferrable warranty. This could be your next home.

- Open floor plan
- Large bedrooms
- Updated appliances
