What a darling home. Positively gorgeous finishes and upgrades including granite, SS appliances, tons of skylights, gleaming hardwood floors, French doors, tumbled stone surrounds and counters in baths, custom cabinetry. Gracious fireplace in living room with stone hearth adds to the warmth of this charming home. This is not your typical Santa Fe home. It is very light and bright and open and the rear yard is a tropical paradise. Your clients will never want to leave this wonderful home. New roof in 2010!
