Owner/ Agent. My wife loves our kitchen. It is an awesome kitchen. It makes her sad to leave it. You will love the kitchen too. Staging the house was brutal. Now I know what my clients go through. Our house has never looked better. Don't think we live like this. We don't. It is unnatural. I built the shed myself. I love my shed. Sometimes I just go out to my shed and stand in there to admire my work. It is an awesome shed. You will love the shed too. I keep my kegerator behind the barn doors in the closet under the stairs. Help yourself to a beer or cider when you come through. Kegerator does not convey. You can take the kegerator from my cold dead hands. This house is worth a million bajillion dollars. Neighbors are awesome too.
