Home, sweet home! Move into this charming 4 bed, 2 bath residence with a 2-car garage and no-fuss front yard! Create fun memories in the spacious great room with sliding glass doors to the back patio and wood-look flooring throughout. You'll love the modern kitchen boasting recessed & pendant lighting, white cabinets with crown moulding, a pantry, stainless steel appliances, quartz counters, and a waterfall island with a breakfast bar. Check out the large main bedroom featuring plush carpet, a pristine ensuite with dual sinks, quartz countertops, and a walk-in closet. Expansive backyard with a covered patio has so much space to build a pool or your own oasis landscape. What are you waiting for? Make this value yours today!

- Low-care Front Yard
- Wood-look Flooring
- Stainless Steel Appliances
- Quartz Counters
