Charming, two-story house nestled in the scenic backdrop of Colorado! Upon arrival, you will be greeted with the traditional aesthetics of the area with contemporary flair, an inviting facade of earth-toned brick topped w/shingles in harmonious hues, plus a welcoming deck where you can sit & sip your morning cup of coffee. Multi-level interior features an entryway coat closet, wood-look floors, & plush carpeting in high-traffic areas for warmth & comfort underfoot. The merged living room & dining room is designed for a spacious & airy atmosphere. Venture downstairs to discover a HUGE family room w/handsome accent wall & a warm fireplace perfect for chillier evenings. Impeccable galley kitchen showcases black stainless steel appliances, granite counters, and plenty of cabinetry. The main suite provides a full private bathroom w/a floor-to-ceiling shower! The basement has additional rooms potentially serving as a home office & den. You'll love the ...
