Charming 3-Bedroom, 2-Bathroom + a Den Home in Buckeye! Step into this exceptional single-story home with an open and inviting layout. The kitchen showcases stylish cabinets with a staggered design, complemented by quartz countertops and top-of-the-line gas stainless steel appliances. The interior boasts a pleasing neutral two-tone color palette, creating a serene atmosphere throughout. Enjoy the energy efficiency of a tankless water heater and the beauty of tile flooring, which extends throughout the home, excluding the bedrooms. The owner's bathroom offers the convenience of a framed walk-in shower, and you'll love the extended covered patio, perfect for relaxing or entertaining. Plus, there's a spacious den with double doors, providing flexibility for your needs.

- Spacious Den
- Double Sinks
- Quartz Countertops
- Tankless Water Heater
