Welcome home to this extensively upgraded 3-bed, 3-bath townhome in the peaceful Somerset Village! You'll love the large living and dining room, designed with a seamless flow, creating a unified space for easy interaction and relaxation. The cozy fireplace and custom built-in cabinet with a window seat, add a touch of character to these central living areas! The kitchen features black SS appliances, granite counters, travertine tile backsplash, a pantry, and ample wood cabinetry. Every detail has been thoughtfully chosen, from the designer palette to the appealing wood-look flooring strategically placed throughout. Aesthetically pleasing with plantation shutters and layered crown molding, it adds subtle sophistication throughout the property. The primary bedroom serves as a serene retreat with gorgeous mountain views, providing a private bathroom and a walk-in closet with convenient built-ins. Let's not forget the perfectly sized sideyard! Its patio, outfitted with composite ti...
