Why wait 6 months for a new build in this community and risk the prices going up. There aren't many lots left and this 2 year old home is actually better than new. The appliances are all included even the washer and dryer. The window coverings are also included in the price. All of the little problems have already been worked out and this home was barely lived in. The modern look of the outside carries into the inside of this home w/ Stainless Steel appliances and granite in the kitchen and primary bathroom! The natural lighting on the living level is great due to this corner lot and the extra space this adds to the primary bedroom is great. The 2nd bedroom and full bathroom are downstairs and make this an ideal home for roomates or even just someone that is looking for an office area that is away from the main living area. The oversized 2 car garage has plenty of room for 2 cars and also storage in the extra large portion which would be ideal for shelving or extra toy stor...
