Fantastic opportunity to live in this magnificent 1-acre property, with brick accents & a separate workshop area, is now on the market! Discover a desirable floor plan boasting a soothing palette, & two living areas, one with a stone-wall fireplace. The remarkable eat-in kitchen includes an electric cooktop, wall ovens, recessed & chic light fixtures, granite counters, a pantry, an island w/butcher block counter & a breakfast bar. Primary retreat provides a private bathroom with dual sinks. Feast your eyes on the expansive backyard, offering covered patios, panoramic blue-sky views, & a perfect mountain backdrop. Got toys, trucks, & trailers? No worries, this gem will cover it all. Don't miss out!

- Recessed Lighting
- Granite Countertops
- Mountain Views
- Gated Parking
