Move-in ready! Welcome to this beautifully maintained tri-level home in the Crescent Village Community! You'll be greeted by a welcoming living area featuring real hardwood flooring and stunning stone fireplace, creating an inviting atmosphere for family gatherings & quiet evenings. Custom pool was built in 2018. This home also features a 4 year old AC unit and Solar panels installed last year which will keep your electric bill nice and low during these scorching months! Complete with 3 bedrooms plus a den and electric vehicle charger in the garage, this home has so much to offer and is priced to sell!

- Fireplace
- Solar Panels
- Gazebo
- Breakfast Bar
