Make yourself at home- the wait is over! This marvelous delight is ready to welcome you and your family! Completely NEW CARPET installed and professionally cleaned, this energy-efficient home sits on a large corner lot with upgraded lights, fans, granite counters, and more. You'll love the spacious open layout that brings the whole family together for great meals and entertainment. There's plenty of room for all your needs. Three bedrooms down with two sharing a full bath while the primary suite is secluded in the back with two, his and her, walk-in closets! The fourth bedroom upstairs with a full bath would make a great office. Be pleasantly surprised in the backyard under the covered patio and an extra pavers patio with a pergola above and a sump pump below for efficient drainage. There's even a cute little pond and a rain barrel that harvests rainwater through the gutters! Close to the highway, only 5min, yet far enough to avoid the noise, don't miss out on this opportunity...

- Large Corner Lot
- Upgraded lights & fans
- All Electric Home
