Located in a prime location near schools and recreation, this well-maintained pool home is a must-see! The layout has both formal and informal living areas, 4 bedrooms, 2 baths, a large laundry room with washer and dryer, and a double garage with storage areas & 2 EV outlets. The updated kitchen has a spacious and bright eating area. The primary bedroom has a slider to the pool area, and a walk-in closet, and the primary bath has a large step in shower and double vanities. The back yard has a covered patio as well as a free standing pergola, and of course the pool! Over the last several years, sellers have replaced all windows and patio doors, replaced all ducting, added roof insulation, installed a new HVAC system; installed new pool pump.
