"Nestled within the highly desirable El Dorado Lakes community in Gilbert, this meticulously maintained home is a true gem. It's not just the exquisite upgrades throughout, but the thoughtful additions that truly set it apart. From top to bottom, you'll appreciate the attention to detail, which includes stunning Red Oak Hardwood floors on the staircase and upstairs landing. The Master Bedroom boasts Hand-Scraped Walnut Flooring, adding a touch of luxury to your everyday living. The Kitchen is a true highlight with its stainless steel appliances, elegant quartz countertops, and stylish tile floors (also found throughout the downstairs). This home comes with an array of extra features, including shutters that enhance privacy, a water softener for improved water quality, a charming farmhouse sink that adds character, 2 new AC units installed in 2019 for optimal comfort, with an interior repainting in 2018 and an exterior repainting in 2022 that adds a fresh, modern feel.
