Discover this energy-efficient home in Sunland Springs Village! Displaying a 2-car garage, stone accents, and a cozy front porch. The recently renewed interior boasts wood-look & tile flooring, vaulted ceilings, fresh paint, and window blinds. The large living room seamlessly transitions into the dining area, creating an open and welcoming space. The galley kitchen is equipped with white cabinetry with crown molding, a pantry, SS appliances, and granite counters. Spacious main bedroom includes well-sized closets, a private bathroom with dual vanities, and a soaking tub. Additionally, a bonus room with outdoor access can serve as an extra bedroom or office. The expansive backyard with a covered patio offers a perfect setting for relaxation or unwinding. Don't delay to make it yours!
