Home, sweet home! Welcome to this enchanting 5-bed, 3-bath residence that exudes curb appeal with its 3-car garage, RV gate, extended driveway, and meticulously maintained front landscape. The lovely living room provides a perfect space for receiving guests. The great room features high ceilings, tile flooring, and abundant natural light, creating an atmosphere. The kitchen showcases granite counters with a matching backsplash, paneled cabinets with crown molding, a pantry, SS appliances, recessed lighting, and a center island. You'll also find a charming loft that provides additional living or office space. The main bedroom is a bright retreat, showcasing plush carpeting, a walk-in closet, and an ensuite with dual vanities.

Enjoy breathtaking sunsets in the backyard, where you'll find a covered patio, a fire pit with a sitting area for cozy evenings, a built-in BBQ, lush natural turf, a spa, and a refreshing pool to complete this outdoor paradise. Make this gem yours!
