Pride of ownership & remodeled from top to bottom - this charming end-unit boasts a blend of comfort and modern living. Rare 2 car detached garage on the outside and additional storage unit inside round out this truly one-of-a-kind property. You'll be welcomed inside to find an open and bright living space along with a very functional layout. The kitchen is a show stopper, boasting upgraded stainless steel appliances, concrete countertops, combo above and below white shaker & tan cabinetry, stunning subway tile backsplash, and a breakfast bar. Neutral paint sets the tone for an inviting ambiance, enhanced by recessed lighting and beautifully upgraded tile flooring is found in all common areas. Have a good night's sleep in the two well-appointed bedrooms adorned with carpet. The master bedroom features a wood sliding barn door that opens up to the large walk-in closet. And you won't forget this bathroom... incredible tile work throughout, dark grey custom cabinets - ...
